Looking for 6 - 10 Male and Female contemporary dancers as well as 2 male actor/dancers, Ages 18 - 35 for up-coming short film to be filmed in mid-late March. (Dates to be confirmed asap.)

Film is based on a true story about a male university dance student who was sexually harassed and assaulted by a police officer once the officer discovered the student was a dancer - therefore gay.

All will be required to learn choreography for a fictitious performance as well as take part in both a ballet and modern class within the film itself. Will require 6 - 8 hours rehearsal plus full day of filming. Rehearsals to take place approximately one week prior to filming.

In addition, I'm looking for 10 - 15 dancers to only take part in the classes who will not need to learn choreography.
