At The Muse Brooklyn, our hearts beat circus, and our interns are the heart and soul of our community. While with us, you will answer phone calls, greet clients, transform our studio into a theatre for events, engage with our CRM database to process payments and schedule appointments, arrange kiddie obstacle courses, and fly aerial apparatuses in and out throughout the day for our clients and classes.

The Muse is a diverse community of performers, athletes, and artists, and we seek to support our interns as they explore their own creative identities. In exchange for three shifts of your choice per week (a total of about 14 hours), we offer you unlimited free classes and open training time at our studio. We also offer mentorship opportunities to committed interns who seek support for their professional and artistic development.

We welcome folks of all interests, skillsets, abilities, and professions to join our crew. Our ideal candidates love working in community and can commit to being a part of ours for at least six months.

To apply, please respond with a brief paragraph explaining your interest in this position and relevant experience.
