[Dance Visions NY](#): dancers needed for Isadora Duncan Repertory and original works, summer/fall 2017 season.

Dance Visions NY, a not-for-profit LI based company which performs the Isadora Duncan repertory as well as original works of Beth Jucovy is looking to add two dancers as well as apprentices for our upcoming performance season. Programs will be at primarily outdoor theaters, gardens and estates on the north shore of Long Island and possibly for our Fall Manhattan performance week; season is from June 25- Autumn. Stipend for performances, increases with experience. No stipend for apprentices, however apprentices attend rehearsals, gain familiarity with the technique and learn the invaluable Duncan repertory, with the possibility of joining the company. Rehearsals are held in Queens and in Manhattan, week-ends beginning March 26. We will work usually once weekly, either Saturday afternoons or Sundays (varied times), so week-end schedule must be flexible. People of all ethnicities, races and genders are encouraged to apply. If interested in this work and feel you are a good fit, please contact and send resume, head and dance photo and short video footage immediately to [dancevisions.ny@gmail.com](mailto:dancevisions.ny@gmail.com). Audition and interview will be Sunday March 19, 11:00- 1 in Queens and Monday March 20, 1-3 in Great Neck, LI, (30 minutes from Penn Station on LIRR). Please indicate which audition you can attend in initial email. [www.dancevisionsny.org](http://www.dancevisionsny.org)
