The Moving Beauty Series returns to production with THE SERIES 2017. We are accepting submissions for our June 6th - June 11th, 2017 Concert at The Hudson Guild Theatre; 441 West 26th Street. Manhattan, NY. Submissions are open for companies interested in presenting between 20 and 35 minutes of choreography.

THE SERIES 2017 presents spectacular dance artists as they were meant to be showcased: as professionals of the highest caliber. We select and package our artists according to top industry standards while providing an excellent venue, promotional support, and a wonderful performing experience through which their talent can shine. Most importantly we allow our artists a chance to recoup their investment.

Each evening, selected dance companies will present between 20 minutes and 35 minutes of work at The Hudson Guild Theatre on their 27' x 28' stage. Each ticket sold by a participating dance company is tracked; for each ticket sold, the associated dance company will receive 40% of the profits from that ticket. The Hudson Guild Theatre seats 96 people. The Hudson Guild Theatre is also wheelchair accessible with 6 wheelchair reserved spaces.

Additionally, in collaboration with [FINI DANCE](#) and Italian International Dance Awards, representatives from those organizations will be scouting choreographers to teach and choreograph at their associated festival Alto Jonio Dance Festival, which was recently declared one of the best dance festivals in all of Europe by Ballet2000.
