Video audition submissions are now being accepted for a very few remaining spaces in the [MOVEMENT INVENTION PROJECT®](#) (MIP®) 2017 NYC summer intensive. Email mip@njdte.org for more details today!

MIP® is an innovative three-week summer intensive in New York City for advanced dancers, 18-23 years old. Dancers will work with an extraordinary faculty of teachers, choreographers, and mentors in a Project that encourages risk-taking, creativity, and the development of improvisational skills. In this supportive environment, dancers will be prepared to work in collaboration with today's choreographers. The program includes ballet, improvisational workshops, and the exploration of the creative process. MIP® is an expansion of New Jersey Dance Theatre Ensemble's (NJDTE) Educational Programming.
