Be featured in the What Moves You? blog!

The WMY? project aims to bring performing artists together from around the world by showcasing various choreographers, dancers, teachers, artists, arts administrators, and movement-influencers around the world to ask them one simple question: "What Moves You?". We post these answers on our website and on social media outlets. It's a great way to promote yourself and an upcoming event.

It's our hope that the project will be a positive way to showcase the power of movement across cultures, borders, and genres through the lens of different tastemakers. It's like a Humans of New York but for the performing arts world. And it's free - no fees, no costs, just fill out the form below.
