Jersey City Ballet Theater, a nonprofit performing arts organization in Jersey City, NJ, is seeking two male dancers with strong classical technique. The casting is for an outdoor ballet repertory performance and for the role of Peter and the role of the Hunter in our production of Peter and the Wolf with the Garden State Philharmonic.

Rehearsals are on Saturdays at 2 PM, adding Sundays as we get closer to production. The repertory piece will feature classical ballet and contemporary ballet-style material. Interested dancers should send a resume and a brief statement of interest and availability.

We will reply with compensation information and additional rehearsal times.

The repertory program is on September 3 and September 15.
Peter and the Wolf, two performances on October 26.

This is nonunion, noncontract project work as we continue to create work for grant opportunities.

Apprentice opportunities are available for male and female dancers.
