Development Manager at Dancewave (P/T or F/T)

Company: Dancewave
Location: Brooklyn, New York

► [Share](#) | [Print](#) | [Download](#)

Dancewave seeks a Development Manager to help manage the individual, institutional, capital campaign and Board related fundraising activities and events for this 22-year-old dance education nonprofit organization located in Park Slope/Downtown Brooklyn. The Development Manager must be highly organized, with superb written, organizational and verbal communication skills, and a strong passion for Dancewave's mission. This position is an incredible opportunity for an ambitious, nonprofit professional to develop new skills and contribute to the growth of an innovative, rapidly expanding cultural and educational organization. The Development Manager works closely and directly with Dancewave's Executive/Artistic Director and Managing Director to plan and implement all facets of the development plan and the capital campaign. This position offers the opportunity for professional growth within the organization.
