The Vanessa Long Dance Company's Long2 Company works with gifted performers to give them the extra push they need to join the professional dance world. Our Pre-Professional company is a stepping stone into the professional company. Focus is placed on technique, musicality, performance, and audition prep. The company works mainly in contemporary dance with a mix of jazz and theater. Those selected for the Long2 Company will have the opportunity to perform several times throughout the season, build their resumes, network, and work with choreographers who also run their own professional company. Opportunity to perform with the Vanessa Long Dance Company will be possible, along with the opportunity to choreograph work to be performed in final showcase. In addition at the end of the season we will be selecting one company member from the Long2 company to join the professional company for the 2018-2019 season.
