Come dance with Emotions Physical Theatre at our Contemporary Dance Experience Audition/Workshop featuring nationally and internationally known teachers, choreographers, and companies. The Contemporary Dance Experience is a three day event where dancers take class with eight different choreographers in a variety of contemporary based styles. Last year, 80% of our workshop attendees got paid performance work through the connections they built with various choreographers. Sharpen your skills with teachers who've performed with Pilobolus, Bill T. Jones, Shen Wei, Catapult from America's Got Talent, and the Roxey Ballet. Optional afternoon seminars include how to market yourself as a dancer and how to turn dance into a career. Build your network, audition for several companies at once, and get seen by eight different choreographers. Emotions Physical Theater uses this workshop as an audition for work with the company. Paid contracts start at \$200/week. Stay tuned for more information about the teachers, companies, and choreographers teaching workshop classes.
