Malas are great for:

Setting your intention and manifesting your intention into the world

becoming more mindful of spiritual, physical and mental needs

Channeling your focus on your passions, desires and goals with use of mantra

Reducing stress and anxiety in your inner and outer life

Helping you meditate and

Don't know how to make Malas? No worries, we will train you! Malas are innately spiritual and we are looking for makers that will infuse and "chi-charge" these works of art with healing and power to empower and strengthen our customers.

Email me at thomas@fengshuicreative.com with your work resume, short blurb about yourself and why you are interested in making malas and photos (if applicable) that illustrate beading/knotting/crafting skills.

Looking to have someone start ASAP. Looking to schedule meetings for Monday October 30th!
