Open Call: Bodywork Practitioners for BAX's Bodywork Sampler Day

Company: BAX/Brooklyn Arts Exchange
Location: Brooklyn, NY

► [Share](#) | [Print](#) | [Download](#)

BAX is bringing back the Bodywork Sampler Day on Sunday, November 12, 2017 co-produced with ThIS Body (Sara Roer & Diane Tomasi).

The day will celebrate and bring attention to the wide array of bodywork forms and practitioners that exist in our community, while also serving as a fundraiser for BAX's programs & services. Our goal is to offer a large range of bodywork forms for people to experience, from more well known offerings (i.e. massage, shiatsu) to lesser known forms people can be introduced to. The last time we produced this event it was a resounding success, full of networking and community-building.

We are currently seeking practitioners who will donate their services for a minimum of 3 hours or even the whole day. If you are interested please [CLICK HERE](#) for more information and the application. Applications are due no later than September 8th. For more info or questions, please email events@bax.org.
