Join the renowned [Czechoslovak American Marionette Theatre](#) company members in a Flash Mob with puppets, puppeteers, dancers and dummies! The event complements our newest show *The Life and Times of Lee Harvey Oswald*, (to be presented in November by La MaMa in NYC). The FLASH MOB will happen in three to be disclosed Manhattan locations, accessible by subway.

In the era of alternative truth, it is timely to revisit three 1960s national traumas (the murders of JFK, RFK & MLK) which are shrouded in dense cobwebs of multiple conspiracy theories! These are the themes of the FLASH MOB.

Dancers, puppeteers, non-dancers please join us!

Bring your own dummy, ugly large doll or hand puppet, or use one of ours!

There will be three rehearsals and one FLASH MOB performance:

REHEARSAL/PERFORMANCE SCHEDULE:
