Hello! I am a female ballet dancer planning to compete at the Tallinn International Ballet Competition in Estonia in March 2018 (21st-26th). I would prefer to perform in the pas de deux category rather than soloist and need to immediately replace my partner who is no longer able to attend with me. Two classical pas de deux and one contemporary of original choreography will be rehearsed with me and my coach in NYC (rehearsals mostly in LIC, Queens) and performed in March in Estonia. The exact rehearsal times are flexible to an extent and can be worked around our schedules. This is an opportunity to perform in front of European directors, network, etc. Please email me ASAP for further details if you are classically trained and at least 6'. Thank you!
