This is our 39th year of running our 3-week program and for the first time we will be bringing our festival to New York City. The program will be held at at Barnard College from July 8th to July 28th. WMSDF is a modest sized program and we limit our enrollment to about 35 maximum.

We would like to provide you with more information on our program by inviting you to visit our website at www.wmsdf.org.

Below is a link to our application form so we can in turn get to know you better
<http://wmsdf.org/register/>

After completing the form please send us a link to a short video in which your dancing is clearly visible. Also if you are not the only one in the video please help us to know which one you are.

If you don't have a video to submit at the moment, still submit the rest of the application and get back to us with rest of the material as soon as you can.

Upon receiving your application we will be in contact within two weeks.

We keep our enrollment limited so that we can maintain a 4:1 ratio within faculty and students. People who attend the program have diverse ages and backgrounds. We also have work-study positions available!

Please let us know if you have any questions which we can answer via phone, text or email. We are happy to assist with any program details etc. as well as assisting you through the entire enrollment process.
