ABOUT CHOREOLAB:

Artists in today's dance world must be more than just technicians. Beyond demonstrating skilled technique, dancers are frequently expected to contribute thoughtfully to a choreographic process, transition seamlessly between varied styles of repertoire, and possess strong partnering ability. Dancers can face challenges getting hired if they lack the business skills to communicate professionally with artistic directors, or create supporting application materials that best demonstrate their artistic strengths. *ChoreoLaB* hones both artistic skills and professional excellence through a holistic program, which shapes hireable, competitive in-demand dancers ready to advance their careers.

During the intimate two-week studio experience, participants will:

- Work with renowned guest choreographers, including Annabelle Lopez Ochoa, and former artists of Batsheva, Ballet Frankfurt, Nederlands Dans Theater, and Hubbard Street Dance Chicago
- Learn excerpts of Ballet Hispánico's repertoire from Company dancers and artistic staff
- Attend forums, networking events and Q&A sessions with artists in the field
- Audition in an open call for Ballet Hispánico's second company, BHdos
- Receive constructive feedback and guidance from artistic leaders in the field, and more!

Note that Ballet Hispánico is unable to provide housing for ChoreoLaB students.

ChoreoLaB students may audition for *Nuestro Futuro* Scholarships. *Nuestro Futuro* Scholarships are merit-based, full tuition scholarships, established by Ballet Hispánico, that support artists who are passionate about their dance training. To be considered, applicants must register for one of the audition dates listed below.
