Green Space

In an effort to increase class offerings in the Queens borough and provide working artists with more opportunities, [Green Space](#) is initiating a donation-based community class with a rotating teacher roster. Participating artists can lead their class/workshop free of charge at Green Space and are welcome to have a donation jar for student contributions. The program is open to dance & fitness classes and creative workshops.

The classes will occur weekly on Fridays between 1-3pm starting June 1, 2018. Teachers will be selected by Green Space Artistic Director Valerie Green. In the application, please let us know which Fridays you are available starting 6/1.
