The evening started beautifully with Marie-Christine Giordano in silhouette (above) as she began her solo entitled *In and Out*, a work-in-progress. Ms. Giordano is perhaps the best-established and most familiar name among the participants; her artistry and stage experience shone throughout this expressive solo.

Join us for our summer intensive/audition August 21 to 24 from noon to 2:30PM. We will be teaching a four-day Intensive for dancers and future company members who want to benefit from Giordano METHOD and ALIGNMENT and learn excerpts of MCGD REPERTORY. The company is looking for 4 DANCERS (diversity a plus) for season 2018/2019 for a total of 10 paid performances.

The workshop will serve as an immersion into Giordano Alignment. It develops a powerful core in dancers by strengthening the muscles of the trunk, granting them the freedom to explore the full potential of their physical and artistic expression.

Space is limited! You will be working in small groups to allow plenty of personal attention.

TUITION: \$145 only!

Please send a headshot, resume, and video clip to dancers@mcgdance.org
