We are looking for creative collaborators for our new work, debuting this December as a part of our full-length evening production at the Actors Fund Theatre.

The new work, titled "I'mMigration" explores HUEman moveMEANT, boundries and opportunities through creative storytelling in the forms of dance, visual art, film, photography, poetry, music and multi-disciplinary work.

We are looking for a couple choreographers and dancers who are familiar with contemporary & street dance forms as well as indigenous and/or cultural dances. The selected choreographers and dancers will work with our company dancers as well as other collaborators.

If you are interested, please come to our open rehearsal this Monday, July 23rd at Mark Morris Dance Center 4:30-6:30pm. Space is limited, please RSVP: <https://www.artful.ly/store/events/15651>
