Triskelion Arts is fostering the expanding dance-on-camera art form with our 4th annual Dance Film Festival this November 16th & 17th. Highlighting the complex relationship between choreographer and filmmaker, the festival celebrates national and international dance-based films that stretch the boundaries of what would be possible on the stage. Experience site-specific visual escapades as well as character-driven narratives in this exclusive two-night event.

Films can be up to 20 minutes in length, and will be presented in one or both nights of the festival. No entry fee required!

Deadline to Submit: Friday, August 31st, 2018
