JUNTOS Collective

Teach and perform with other professional dance students in underserved communities in Boston, New York, Guatemala, Mexico, and Columbia.

****Eligible to University Dance Students Only****

[JUNTOS Collective](#) invites you to apply to travel with us abroad in 2019! These 2-week trips function like a professional touring company with a strong emphasis on global outreach. It is an opportunity to enhance your teaching skills, perform new repertory, explore artistic expression, and network with students from across the country.

[TRIP DATES](#)

Mexico: January 6-20, 2019
Guatemala: June 2-18, 2019
Colombia: August 4-18, 2019

JUNTOSAbroad trips encourage you to return to school as a better teacher, a stronger performer, and a dancer ready for a professional career in performance. You will work with mentors along the way to help guide you through this process.
