GALLIM 2019 WINTER INTENSIVE

January 7th - 11th, 2019

Join Gallim this winter for a five-day Winter Intensive, January 7th - January 11th and dive into your body and artistry through Artistic Director & Choreographer Andrea Miller's visceral movement language. Gallim's Winter Intensive is anchored in Miller's distinct artistry and pedagogy that combine a movement language of technical nuance and raw vulnerability rooted in dance, theater, and visual arts. Students are immersed in Gallim's culture and creative practice of improvisation and repertory, and invited to unearth new depths of artistry and virtuosity through technique classes, performance studies, as well as methodologies for movement invention and composition. In addition to class work, Andrea Miller and Gallim dancers lead and support discussions about the state of the field, topics of professional development, and nurturing life as an artist. The 2019 Winter Intensive will focus on Andrea Miller's newest work, To Create a World, premiering at The Joyce Theater in February 2019.
