Dance is a silent conversation between the dancer and the audience. The core of Octopodes is to break through conversational boundaries while spreading the love of dance to the world. Electrifying the stage is a dancer's right, joy and pride and they should not have any limits to that. A dancer's testimony is an unforgettable experience.

Using the diversity and heartbeat of the city, Octopodes strives to reach out to their community to promote dance, health and wellness.

* This is an open call to all dancers*

Octopodes Dance Company is looking for Dance Apprentices. This is for dancers who like to dance and are interested in performance opportunities.
