### About the program

Urbanity's summer intensive is a rigorous three-week program based in Boston's historic South End. Students receive 6-8 hours of daily instruction in ballet, modern, and contemporary technique as well as supplementary courses in jazz, partnering, musical theater, improvisation, hip-hop, and repertory. Our Faculty represent the best in the contemporary dance world; learn from Urbanity Company members alongside guest instructors such as Jackie Nowicki and Ellenore Scott. The program culminates in performance opportunities at the Boston Contemporary Dance Festival alongside professional dancers and choreographers from across the nation. The 2019 program will run from July 22nd - August 10th. For students wishing to stay in Boston during the Summer Intensive, we recommend participating in our Residency Program.
