The 2019 Newburgh Illuminated Festival (voted "Best Festival in the Hudson Valley") is seeking performers for the Ritz Performing Arts Stage on Saturday, June 1st 2019. Newburgh Illuminated Festival is a highly-attended community event in Newburgh, NY just 60-miles North of NYC, accessible by the Metro North train line.

Newburgh Illuminated Festival is accepting dance performances between 8 and 20 minutes long. Submitted work must be primarily a dance work or have a prominent dance component. The stage is programmed between 12:00 noon until 6:00 p.m. and there is no set-up time, no break down time, and no rehearsal time available. Newburgh Illuminated Festival is a family event, therefore all acts MUST be appropriate for audiences of all ages.

The Ritz Stage is located in the park at Safe Harbors Green next to the Ritz Theater at 111 Broadway in Newburgh, NY. The stage dimensions are approximately 25' x 30' and include a canopy and a marley dance floor.

This is an outdoor event, therefore there is no theatrical lighting or projection capability.

This event is intended for professional groups, but high-level student work will also be considered. Dance studios or student groups interested in performing on the stage should choose their best, most senior ensemble work for this application. Applicants unfamiliar with the festival performance structure or application process can contact the planning committee at NIFRitzStage@gmail.com for assistance.

Applicants must provide a video of the work that they propose to perform on the NIF Ritz Stage. Rehearsal or studio footage is fine. Montage, trailers, or a website link with multiple videos of your repertoire will not be accepted. A panel of dance professionals adjudicate the submissions and choose the works most appropriate for the audience and venue.
