### THE COOP WORKSHOP + AUDITION OPPORTUNITY

Exploring choreography through theater, visual art, and movement.

#### Overview:

A 3-day workshop series, exploring choreography through theater, visual art and movement.

Amirov Dance Theater presents THE COOP Workshop + Audition Opportunity. Each day's workshop includes a 2-hour guest artist technique class as well as the unique opportunity to work closely with Amirov Dance Theater's Artistic Director Alexandra Amirov in an intimate, thought-provoking choreography lab.

Each choreography lab will expand on the findings and explorations from the guest artist's class, and incorporate them into the choreographic development process of [THE COOP](#). Participants will be led through improvisational structures, movement invention strategies, and composition methods for crafting immersive dance-theater work.

#### Audition:

Selected participants will receive the unique opportunity to join Amirov Dance Theater to rehearse and perform in the debut of [THE COOP](#) premiering at a New York City theater in Winter 2019. Only interested participants will be considered for an invitation ([SEE REGISTRATION FORM](#)).
