We are seeking an innovative, street-savvy, choreographer to join our ensemble as we prepare to bring our show, HUMANITY'S CHILD: A MUSICAL FOR TODAY to the NY Theater Festival next summer and a regional tour in the Fall. This is a profit-sharing enterprise with some \$7,000.00 in prize monies up for grabs, including a prize of \$500.00 for choreography, as well as long-term revenue sharing in the model of Artist's Equity. While we highly values experience we also invite entry-level choreographers looking to "be seen" by the NY Theater Community and wanting to work with a super talented group of young women as they establish their careers.
