**Synopsis:** Set in New York City at the turn of the century and based on a true story, *Newsies* is the rousing tale of Jack Kelly, a charismatic newsboy and leader of a ragged band of teenaged 'newsies,' who dreams only of a better life far from the hardship of the streets. But when publishing titans Joseph Pulitzer and William Randolph Hearst raise distribution prices at the newsboys' expense, Jack finds a cause to fight for and rallies newsies from across the city to strike and take a stand for what's right.
