Stacy Grossfield

Stacy Grossfield Dance Projects is seeking an efficient, driven person to assist with their piece in the Dance and Process performances at The Kitchen, April 5th and 6th, and with the dress rehearsal, April 4th.

This job involves helping Stacy with props and special effects equipment, organizing costumes, helping the two performers with quick changes and special effects during the show, and helping with clean up of the costumes and effects after the piece.

This is a very ambitious experimental dance and working on this project would be a great introduction to special effects props for someone interested in learning about them. This experience will be great for someone who likes to do hands-on work alongside the choreographer.

The commitment times are estimated to be:

Thurs. 4/4 12:30-8:30pm with a dinner break 5-6pm

Fri. 4/5 5-10pm with a dinner break 6:30-7:45pm

Sat. 4/6 1-5pm

Please email to schedule an in-person interview for these times:

Thurs. 3/21 4pm

Fri. 3/22 6:45pm

Sat. 3/23 between 12pm - 4pm

Sun. 3/24 between 4:30pm - 7pm

Mon. 3/25 between 9am-1pm

Wed. 3/27 between 3pm-6pm

Thurs. 3/28 between 1:30pm-3:30pm

All interviews will be held in a cafe in Park Slope, Brooklyn except Sun. 4:30-5:30, which will be in a coffee shop in Chelsea, Manhattan.
