KARAR DANCE COMPANY believes in choreographers and their ability to enhance the community in which they live. They work hard to shape and mold dances that provide cultural enrichment and offer a home and network for artists of multiple disciplines which is crucial to the artistic growth of all creators involved.

Founded in April 2018, Homegrown Choreographers is a community that lives on [Instagram](#) (@homegrown.choreographers) where US-based modern dance choreographers can share what they're doing to promote and present their work.

Choreographers submit information via [karardancecompany.org](#) to be featured on the Homegrown Choreographers Instagram account. It is FREE to submit and have your work shared.

Submissions are open to choreographers who are:

Living and actively presenting modern/contemporary dance work in the United States
At least 21 years of age
Not undergraduate students

Inquires may be emailed to karardancecompany@gmail.com.

The [Homegrown Choreographers](#) website will launch April 2019!
