I'm directing an ad which features a dancer. Casting will be done via video submissions. Email links to your portfolio and Instagram profile to [shep.dop@gmail.com](mailto:shep.dop@gmail.com)

Or just DM me on Instagram @shepdop

Any gender or ethnicity. It's really just about finding a talented person.

Rehearsals and choreography will be done mostly through video submissions. I have a video of the storyboards set to a soundtrack, which will help give a rough framework to the choreography.

It would take 3 hours to film, roughly from 7am - 10am in Williamsburg, Brooklyn. Filming date is flexible to your availability.

The whole thing is pretty low key. I'm doing it as a portfolio piece, with cooperation from the company.

You can check out some of my other work at [weerdos.co](http://weerdos.co)

This is unpaid. I'm a professional cinematographer moving into directing, so at the very least the video will look super dope. I'll send a copy to use in your portfolio.
