We are looking for both woman and men professional contemporary dancers interested in dancing with us for our upcoming season. We are heavily influenced by Argentine Tango. Please apply if you're interested in learning Tango.

We are a small troupe. All volunteers and non paid. We get together every Friday morning to go over all material. We are based on Dardo Galletto Studios 46th st, 7th Ave. We get paid per show, and all of us have unlimited access to studio space when it is free. All of us can take Tango classes for free. We might go to Argentina to perform on 2020, all paid, but we kindly ask, if you're selected, to have your documents up to date for international trips. If you don't have your documents up to date, and you're selected, please note that you can still come train, perform and rehearse with us in the city voluntarily.
