Now accepting submissions for *The Straight Man Celebrates Gay Pride* on June 29th, 9:30pm. *The Straight Man* (TSM) is a seasonal variety show that glorifies femme and queer talent at the [Peoples Improv Theater](#) (PIT).

We're seeking comedic, 5-10 minute works by LGBTQIA+ choreographers. It's a variety show, so anything goes! Use the form at this link (<http://bit.ly/tsm-comedy>) to throw your funniest ideas at us and see if they stick.

This is not a paid opportunity (yet) but a great way to try something out in front of a live audience. TSM is produced by a public relations representative, so these events are seriously promoted, well attended and professionally documented. It's also a stellar way to access non-dance audiences through the common denominator of laughing your butt off.

Either way, join us in a genre-busting and gender-bending night of making fun on June 29th at the PIT.
