Chris Ferris & Dancers is seeking a dancer to learn an existing part in 2 dances for performances on Tues. Oct. 15, 2019 at Dixon Place and Sat. Oct. 19, 2019 at a NYC event. Technical rehearsals will take place the day of the show. The dancer must be good with detailed technical choreographed movement, partnering and capable of working with structured improvisation. The audition is on Sat. June 8 from 4 to 6PM at a SoHo Location (please email me for specifics). I am unable to offer rehearsal pay but can pay for performances. The new dancer will learn their part this summer and be integrated into the dance with group rehearsals beginning in Sept. You must be available weekends and some evenings in the fall. The summer schedule has greater flexibility. The 2 dances you will learn are:
