On June 15, 2019, 170+ communities around the world will be "dancing for safe water, for everyone, everywhere".

Some sites will be going live on Facebook and Instagram and some sites will be posting photos and videos the day of. We need a social media intern on the ground to help post our New York City events, as well as repost the content of our sites around the world as they produce content.

This position will report to the Project Manager and Artistic Director of Global Water Dances.

Qualifications:

Competence with social media platforms: Facebook (live), Twitter, Instagram etc.

Professional experience with social media marketing

Excellent communication skills, written and verbal

Cultural awareness and sensitivity

Strong attention to detail

Passion for the arts and/or environment

Ability to work independently as well as function successfully within a collaborative team

Responsibilities

Work with existing and create new social media content consistent with GWD's mission and social media strategy.

Ensure postings are completed on social media platforms based on the timelines.

Communicate with the Program Manager and Artistic Director as needed to ensure timely and effective social media communications

To submit for this position please let us know if you have run social media campaigns before, and provide a work sample or description of the campaign.

Hours of Work: 2-4 hours per week for 5 weeks or longer

Can offer school credit

Reports to: Artistic Director
