The Creative Cultural Center opened in October of 2015 at 149 Christopher Street in the West Village. Nested inside the historic St. Veronica Church, ArtsFlamenco, an active organization producing authentic flamenco shows for over 15 years in New York City, has renovated six studio spaces in the building and is thrilled to share this beautiful space with the dance community of NYC. We offer studio rentals for commercial and non-profit organizations, as well as offering classes for beginners to advanced dance students.

Creative Cultural Center is seeking ongoing studio cleaning beginning in September 2019. This position is paid and also includes ongoing free rehearsal space. We have 3 studios with marley floors and 3 with wood floors (great for tap or flamenco).

This role would require cleaning the studios 3 times a week. Tasks include sweeping and mopping marley floors, sweeping wood floors, cleaning mirrors, sweeping lobby and bathrooms, and dusting.
