For over a decade, our unique non-profit program has been making dance accessible for ALL children, regardless of abilities or disabilities.

We are looking for highly motivated, compassionate, and articulate team-members to help us expand our reach to all deserving kids. Gain valuable work experience in your field of study! We strive to make the internship a valuable experience; interns have a lot of independence and flexibility, but we also make sure they have structure and mentor-ship that is catered to their specific interests.

Positions are flexible and most work is done remotely. ~6-10+ hrs/wk, minimum 6 months

Currently looking for interns in the following areas:

1. Marketing and Communications (includes social media, research, outreach, marketing campaigns, etc)
2. Non-Profit Development (includes research, database management, business planning, fundraising, grants, etc)
3. Volunteer Management (includes database and scheduling management, onboarding and training, communications, outreach, etc)
4. Web Design
