New York City dance companies and independent choreographers are invited to apply for residencies via the [CUNY Dance Initiative](#) (CDI). Designed to take advantage of underutilized facilities while integrating New York City's dance community with the public university system, the CUNY Dance Initiative provides rehearsal and performance space on 13 CUNY campuses across all five boroughs.

Individual choreographers and companies working in a variety of styles, from classical to contemporary, street dance, or traditional forms, are encouraged to apply. All residencies will take place between July 1, 2020 - June 30, 2021.

[Applications will be accepted online](#) from October 3 - November 4, 2019.
