AZOTH Arts Center, artistic and choreographic center located in France, is organizing monthly thematic dance short-film screenings in the fall and winter 2019.

Screenings are happening once a month, with the following schedule and thematic :

- October : portraits of dancers and dance companies
- November : dance and new technologies
- December : dance animation short-films
- January : dance related documentaries
- February : dance/movement therapy
- March : dance and nature/environment

Each short-film selected enters to win an Audience Choice Award as well as the chance to get screened at the International Choreographic Festival of Blois, which happens in July, in the historical city of Blois, in a 300-seat movie theatre.

We encourage every dance and/or movement related short-film to apply.
