Greenhouse Arts Center

Greenhouse Arts Center is a creative community located in Harlem, New York City.

Our Mission: to offer a welcoming place of hope where creativity thrives and the arts are a vehicle for the community to grow together and make a difference locally and globally, connecting with other cultures and raising future leaders.

We offer a wide range of classes on Saturdays for all ages such as :

Ballet - Tap - Movers and Shakers - Hip Hop - Musical Theater - Adult Fitness - Contemporary - Film and Media - Creative Workshops

This year we will be launching mid week classes for the very first time including Ballet/Tap Combo and Leadership Track.

Recent expansion in our programming has increased the need for more helping hands. We are looking for individuals that are passionate about working in a creative community and willing to jump in where needed. We regularly need volunteers to help with Operations, Hospitality, Education, Administration, Social Media, and Special Events. If any of this sparks your interest, we want you!

Our main hours of operations are 8am - 1pm on Saturdays and a few midweek after school hours. If are interested in this unique opportunity, please fill out the google form below.
