The DanceBARN Festival is an annual event that brings professional dancers, choreographers, and dance educators together for one week of dancing, creating, relaxing, and performing in the heart of the lake, Battle Lake, Minnesota.

NEW this year! The DanceBARN Festival 2020 theme will be Dance & Music Collaborations!

Battle Lake has an incredible music scene and this year we're taking full advantage of it! Not only will each class have live accompaniment, but we will help nurture 3 collaborations between local musicians and guest choreographers. There will be opportunities to create for stage and site specific performances.

Applications DUE December 31st
