We are seeking one dancer, strong on pointe, who loves modern dance and/or has hip-hop breaking experience.

This is a one week gig out of town Nov 3-10 involving creation and performance. (A budget increase suddenly allowed for one more dancer.)

Particularly interested in applications from dancers of color.

Send a photo (body shot) and CV and link to video. Pointe required.

(If you are interested but not available for this period of time, feel free to send info for our file.)
