ABOUT THE PROJECT:

HOMEless is an intimate experience navigating queer black and brown identity. It is where anxiety and depression meet strength and sacrifice; how identity is adequate to survival and presence is power, yet existence is complete chaos. HOMEless speaks directly to that feeling of loneliness and uncertainty even in spaces that are deemed a safe haven. It is an exploration and open dialogue between feelings of abandonment and depression and the self.

ABOUT THE COMPANY:

Founded by Richard "Rodd" Denson in 2018, stubbornMVT is a performance-based company that uses dance, theatre, and visual arts to shatter boundaries of the status quo. We create intentional chaos - providing a platform for free and radical voices to be heard. It is not our interest in providing an answer but rather a platform for discussion.
