## Link EUS is looking for European choreographers for upcoming dance performance

Company: Link EUS

► [Share](#) | [Print](#) | [Download](#)

Link EUS is looking for European choreographers to show their work at our second EUS Art Exchange on Friday, February 7th 2020. Time TBD.

[Link EUS](#) is a new European cultural center based in NYC promoting intercultural dialogue between Europe and the US. Apart from language courses, social events and lectures, we have an arts department with a focus on dance. Through dance classes and events, we foster performance art as a means of cultural integration and discussion. We support emerging and established artists who bring European art to the US and help us cultivate mutual cross-cultural understanding and respect.

*The EUS Art Exchange performance series will offer both established and emerging choreographers a platform to present short works (finished, excerpts or WIP) in an intimate space every first Friday of the month at the German School Manhattan, 74 Warren Street in Tribeca (2 blocks from Gibney).*

There will be a quick spacing tech on Thursday, February 6th.

As this is an informal showcase in an intimate set-up, the lighting for the performance will be basic, meaning no lighting cues.

After the show there will be beer and wine for participating artists and the audience, feel free to stay for refreshments and a chat!

### REQUIREMENTS

18 years or older

Choreographer must be from Europe

The proposed work can be any styles but must be between 3-5 minutes long.

### HOW TO APPLY

To apply for the Link EUS Art Exchange on February 7th, please send your resume and a video link of your work to [rnिकासen@link-eus.com](mailto:rnिकासen@link-eus.com) with "February Link EUS Art Exchange February" as the subject line.

APPLICATION DEADLINE: Sunday, January 19th
