This is a night dedicated to celebrating the unique work that is born out of the limitations of tiny spaces. As you can see from the picture, our space - The Baumann - is awesome and TINY! So, we are looking for dance pieces specifically focused on gestures and other tiny moves. We've all choreographed something in our room or kitchen before and now is your chance to show that work off! (Work created in studios also accepted of course.) While we are open to big moves, preference will be given to tiny (but obviously mighty) works. Works in progress and new works welcome :)
