Pizarts Dance Hub For Entrepreneurial Innovation is currently looking for Dance Ambassadors for commission-based, remote opportunities. At Pizarts Dance Hub, we provide international opportunities for emerging & established dancers, choreographers, educators and studios to train, perform, teach and travel through dance.

We are home to:

Dance Gap Year (DGY) — The first & only International gap year program for dancers based in NYC, LA & Abroad. At DGY, our students concentrate in the areas of dance they wish to study, take class with master teachers while receiving 1-1 mentorship and entrepreneurial development to build a sustainable career in the field. ([www.dancegapyear.com](http://www.dancegapyear.com))

Teach Beach Retreat — Cultural exchange, dance & volunteerism retreats in St. Croix, Costa Rica, Nicaragua & Ireland. Getaway during the summer, take daily yoga classes and gain experience teaching dance abroad in local schools.

Mentorship For Dancers — Monthly 1-1 mentoring & entrepreneurial development for emerging & established dancers, choreographers and educators (remote options available).

Perform & Present NYC — Performance opportunities for youth, pre-professional and professional choreographers & companies to perform on legendary stages such as Ailey Citigroup Theater and experience all that New York City has to offer the dance community.

Who we are looking for:

Pizarts hires professional dancers, choreographers, educators and dance enthusiasts to work remotely as Ambassadors and earn commission based on referrals. We are looking for people who are passionate about dance, travel and education, pro-active and looking to be part of a growing company and global dance community. This is a great opportunity for those looking for remote work and a flexible schedule to supplement your income. You can be based anywhere in the world, work as many hours as you'd like and make your own schedule to fit into your lifestyle.

As an entrepreneurial-based company, our aim is to not only create programs that support the needs of dancers, but also provide opportunities for dancers to earn additional income & work together to strengthen our community as a whole. For those who are interested, additional opportunities may arise to mentor students, lead trips, travel, perform and teach both in New York City and abroad.
