The Sound and Media Technologies faculty will have exceptional expertise in the intersection of digital technologies and live performance.

The University of Maryland School of Theatre, Dance, and Performance Studies (TDPS) invites applicants to apply for the position of Sound and Media Technologies Faculty (professional track, not tenure track) with exceptional expertise in the intersection of digital technologies and live performance, and the ability to teach these crafts. Areas of focus may include experimental digital media, sound design and technology, and video editing.

We invite candidates to apply who will work with us to continually improve the TDPS student experience and the possibilities for creative inquiry. Best consideration date: March 24, 2020. For more information on the position please visit the attached link.

You may address inquiries to Ms. Crystal Gaston (cgaston@umd.edu).
