CALL FOR ARTISTS

CANVAS is an International Art Fair that will present collective and solo projects by leading and emerging international artists. ITSLIQUID Group, with an experience of more than 250 art exhibitions all around the world and twelve editions of international fairs, is proud to announce the debut of CANVAS – LondonInternational Art Fair that will represent a forum for direct exchange of ideas and contacts between collectors, artists, photographers, designers and art professionals, featuring paintings, sculptures, photography art, installations, video art and live performance.

CANVAS will provide artists and exhibitors with the unique opportunity to present their works to an international audience of professionals as curators, gallerists, collectors, editors and publishers who seek to acquire, publish and encourage the best contemporary art talents.

The word "canvas" was used for the first time in Italy in the 14th century and it has become the most common support medium for oil painting, replacing wooden panels. During the centuries, the canvas' meaning has changed, starting from paintings, throught the photographic and cinematographic film, exploring the human body, to the digital world. Canvas is the creatives' common ground, on which they can express themselves. We invite all the artists to share their personal artistic research through any kind of media, from painting to sculptures and installation, from photography to videoart and live performance.
