Home Edition III
Improvisation + Artistry

Personal investigation + creative exploration through Improvisation

August 8 – 22, 2020

Through a combination of on-demand & live-online sessions, participants will work collectively & independently to invigorate creativity through guided improvisation.

Task-based movement inquiry will touch upon and deepen the dancer's understanding and relationship to themselves, one another and the space around them for a stronger sense of self, sense of voice, decision-making awareness, & appreciation for our differences and collective exchanges.

Flash Sale this week(Monday, July 27, 2020)! Tuition: \$75

Saturday Drop-ins: \$15
