The 6th Annual Opine Dance Film Festival is open for Early Bird submissions and are excited to announce categories of Pro Shorts, The Newbie Filmmaker, In the Time of Covid, and Student Shorts!

We are interested in short dance films which speak to wider themes of identity, defying conventions, crossing borders, and pushing boundaries. The program prioritizes both inclusion and diversity through the marriage of dance and film, while also emphasizing the democratization of socioeconomic, political, and identity driven conversations across cultures, contexts and locations.

We will be hosting our festival ONLINE for our 6th season and are excited to add some additional categories for the event.

All submissions go through a curation process by a panel of jurors. The jury is comprised of local choreographers, filmmakers, and performing artists. This season, we will award an Audience Choice Award to each category, through online audience voting.

Send us your shorts! We can't wait to see what you've been making!
